Safeguarding

Staff

at

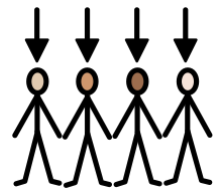

Kestrel

House

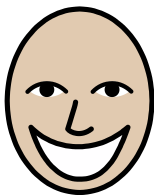

want

to make sure

everyone

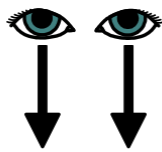

is

happy

and

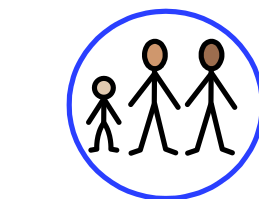

safe.

This may mean

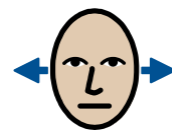

noticing

when

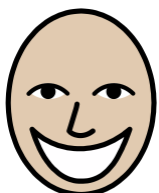

children and young people

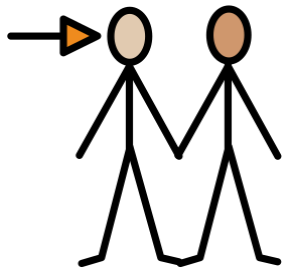

are

not

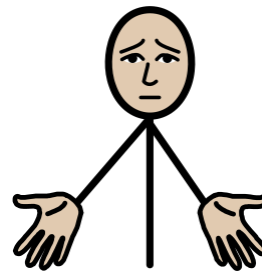

happy.

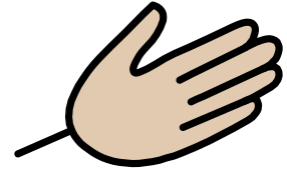

Also, when

they

may

need

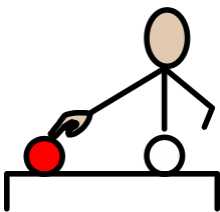

help

and

support.

Things

that

happen at

home,

school

(or

online?)

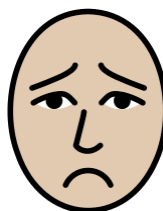

can make

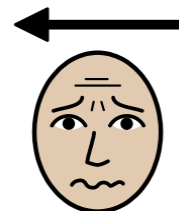

me

feel

sad,

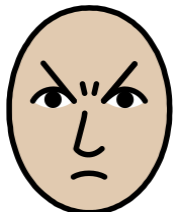

worried,

upset

or

angry.

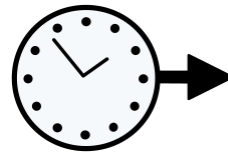

Staff

at

Kestrel

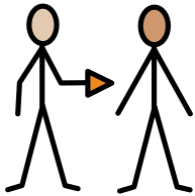

House

will

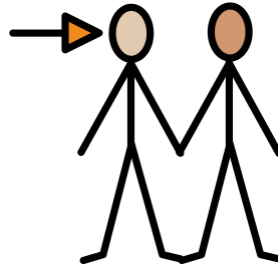

support

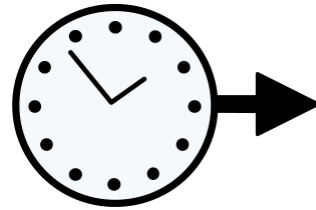

you.

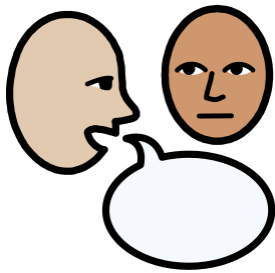

This means

they

will

tell

Aimée,

Sam,

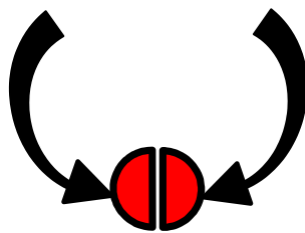

Daniel

or

Marc

to

make

things

better.
